

# OUR POLICE EXPERIENCE!

Thank you so much for Peter's Mother, Helen for bringing in her police car! The children had such a wonderful time experiencing what it was like in a real police car and exploring what was inside it. The children really enjoyed the part where they could dress up in a real Police uniform!

*"Children and their families experience an environment where connecting links with the family and the wider world are affirmed and extended." (Ministry of Education, 1993)*
